

## ETTA LUMSDEN STILL LIVES BUT LITTLE HOPE IS ENTERTAINED FOR HER RECOVERY

### LITTLE VICTIM OF BRUTAL ATTACK IN SERIOUS CONDITION

At Times Regains Consciousness and is Able Then to Recognize Relatives and Friends -- Talks of Her Assailant.

### BOY DESCRIBES HIS NIGHT LONG TERROR

The condition of Etta Lumsden, the 13-year-old daughter of Mr. and Mrs. George Lumsden of Los Angeles, Cal., is according to a message received by the Mail this morning from Joseph Kenyon, extremely serious, and little hope is held out for her recovery. The little girl is still at the Good Samaritan hospital, where she was taken after the brutal attack of 15 year-old Frank Allen, who confessed to the crime of beating her over the head with an axe.

Mr. Kenyon in his message stated that the left side of the girl is paralyzed. She has occasional moments of consciousness in which she recognizes her relatives, and at times has spoken of her assailant, who is in prison. I concluding his message Mr. Kenyon says: "We are trusting God. Tell Charleroi people to send sympathy."

Dr. Fairchild, the hospital physician, has stated that the girl has about one chance in 500 to recover, but the fact that she has lived thus far would indicate that she has a fighting chance for life. According to the physician, however, if she does recover she will be a cripple for life, with her mind unbalanced and her speech impeded, such was the effect of the terrific blows upon her skull.

Should Etta die the Allen boy will be charged with murder. In his confession he said that he had at four different periods in his life been tempted to commit deeds of a similar nature to that of last Thursday, but had been able to realize the horror of the crime, and stop himself. He said he was enraged when Etta refused his advances and slapped him in the face, but that when he committed the deed he did not realize the enormity of it for awhile and walked away whistling. He spent a sleepless night, being in terror the entire night, but when officers came in the morning he refused to tell them anything about the crime. Finally, upon the arrival of a probation officer, whom he loved and trusted, he broke down and told the awful details of the crime.

### ONE OF THE FIRST IN THIS SECTION TO SEE THE COMET

John S. Rodgers, Esq., of Fallowfield Locates Celestial Vagrant.

J. S. Rodgers, Esq., is one of the first residents in this section to report a view of Halley's comet. This morning Mr. Rodgers arose shortly after 4 o'clock to see what damage the frost that fell last night had done to the crops of his Fallowfield township farm, and in the east he beheld the comet. The clear, frosty atmosphere was particularly favorable, and the tail was also distinguishable. By means of a field glass Mr. Rodgers says a good view was secured of the celestial wanderer that has attracted attention since the days when the earth was young.

## Charleroi Has Good List of Interesting Events Booked For the Coming Two Months

Very Busy Place Nowadays With Arrangements for Various Affairs as Entertainment for Public

Charleroi is a mighty busy place nowadays. What with the celebrations of various nature, and the minor entertainments and musicals it is ripening into a veritable metropolis. Starting with April 1, when the Anniversary Celebration affairs have been booming, since that time there have been any number of entertainments, and the borough is now preparing for more, on a larger and more magnificent scale.

The Fourth of July celebration is being looked forward to with more interest than any other celebration. Preceding it however from this week forward, including all the minor entertainments and school affairs that can be thought of, are the Knights Templar Ascension Day celebration Thursday night, the Brigade competitive drill between the Monongahela and Monessen Cadets, and the

Charleroi Boy's Brigade Friday. Next week the school children's cantata, "Queen of May," on two nights, following this in short order being the baccalaureate to the High School Graduating class, the school picnic, the High School class day, and the High school commencement, with Decoration Day events coming in shortly after. As far as is known there is little booked for June, but the Douglas College commencement will be an event of that month. The Fourth celebration will cap the climax.

Besides the events booked above, there will be any number of church events, minor celebrations, and observances of various affairs, which have not been announced. The Charleroi Church Baseball league will keep away the dull times and furnish interest during the summer.

## METHODISTS TAKE OVER BAPTISTS IN HOT BATTLE

New Team Puts Up Good Struggle Against Last Year's Champs

### PITCHERS IN GOOD FORM

The Methodist champions of the Charleroi Church Baseball league, with their pennant bearing the insignia "Champions," last night defeated the New Baptist team, through a final inning rally. The score was 5 to 4. Although the Baptists did not carry off the first honors, they completed the first triple play this season, and incidentally about the second ever seen in Charleroi. McKean was on second and Mitchell on first when Pete Bege came up, and just for fun tried to ram a hole through Red Allshouse with the ball, in which attempt he was unsuccessful. Red stopped the ball, calmly tossed it to Franz on first who leisurely piloted it to Jay Reeves on second. Both McKean and Mitchell had led off the bases and were easy outs.

The M. E.'s got two wherewithals in the first on Mitchell's two baser, and Riggs' bingle for four of them. The Baptists came back with two in the fourth. Coliffe hit safely, Ward sacrificed, Mason was safe on an error, and Frantz also gained his first pillow on an error, while Coliffe chased in. Mason scored while Frantz was caught at second.

Booth's bunch tallied in their part of the fourth on Riggs' bingle. A. Crabb heaved the comet too much, and Frantz duplicated the performance when trying to catch the captain at third. Two came for the new team in the sixth when Hott was safe on Riggs error, R. Crabb, when McKean dropped his fly, and Coliffe and Mason hit, scoring Hott and Crabb.

The game was won in the last part of the seventh when McKean hit safely, and went up one on an error. Mitchell whiffed the ozone thrice, and P. Bege hit, scoring McKean. Riggs was hit by the pitcher, and Vint Reeves drove one out and Froten fied out, while Bege came over with the winning run.

## BOTTLE BLOWERS TO HOLD MEMORIAL SERVICES SUNDAY

Rev. Hostetter will Preach Sermon to Union Workers at Christian Church.

The Green Bottle Blowers Association, No. 93, of Charleroi, will hold memorial services on Sunday afternoon at 2:30 o'clock, at the First Christian church. Rev. Hostetter, the new pastor of the church, will preach a sermon to the bottle workers. D. H. Glunt, the president of the Association, will be the master of ceremonies. The association will meet at the Charleoi Savings and Trust company hall at 1:45 and march to the church.

The services will be the first of the kind ever held in Charleroi, and everybody is invited. It is the intention of the Association to hold them every year from now on, for the members of the association who have died. The local association numbers about 80 members and 12 have died since the local was organized.

## CHANGE TO BE VOTED ON TONIGHT

If a member of the Merchants' Association wishes to vote as to whether the future association shall be a Board of Trade, or continue along the same lines as it has in the past, he must appear at the regular meeting tonight when the matter will be taken up for final action.

A month ago the question of changing the name and the by-laws of the association to take in all classes of business men, and to give opportunity for the accomplishment of more for the town, was first mentioned and according to the by-laws of the Merchants' Association the motion was made to change the name, but before action could be taken the motion had to be postponed for 30 days. The 30 days are up, and final action will be taken at the meeting tonight.

Congressman J. K. Tener was in town a few hours yesterday, between trains, coming up from Pittsburgh, where he had been called, and returning on the 4:37 train. He went back to Washington, but expects to be here again some time next week.

## FIND NO TRACE OF INSURANCE AGENT

Police Unable to Establish Whereabouts of Man Who Disappeared

There has been little change in the carpenter's strike in the valley, a large number of the men still being out of employment. The smaller contractors have nearly all signed the new agreement, allowing an increase of 50 cents per day in wages, or from \$3.00 to \$3.50.

## WILL HOLD ANOTHER CONTEST PROBABLY SOMETIME IN JUNE

Affair Tomorrow will be Preceded by Big Parade With Either Charleroi Concert Band or Italian Band Leading Procession.

### ALL BRIGADES HAVE BEEN WORKING HARD

Both the Monessen and Monongahela Cadets are expected to bring big delegations to Charleroi tomorrow evening when the competitive drill will be held at the local baseball park. A parade will precede the drill, which will begin at 4:30 o'clock, the brigades to be led by either the Charleroi Concert band or the Charleroi Italian band. Both these musical organizations may be in line.

Word was received yesterday from Capt. Harry Landefeld of Monongahela and Capt. Newcomer of Monessen, that they would be on hand promptly. They have been working hard, as has the local brigade to prepare for the drill, and each company is confident of taking the cup.

The second contest drill will be held probably in June, at which time it is intended to secure judges from either Washington or Fayette county. It was only through the personal friendship of Col. Coulter for W. R. Gaut who is a member of the committee arranging the affair for tomorrow, that he and his staff agreed to come as judges. They will probably make the trip by automobiles.

The drill tomorrow will be free, although there is considerable expense entailed in the holding of it. The result will be announced strictly upon merits, the tactics to be all the same.

## Will Observe Ascension Day

Rev. C. E. Frontz Will Preach Special Sermon to Knights Templar

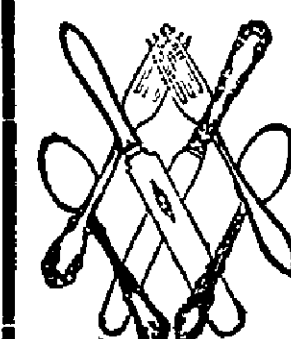

The Knights Templar will tonight hold their annual celebration of Ascension Day. Following a parade, in which the Charleroi Concert band will lead, the Knights Templar will march to Christ Lutheran church, where Rev. C. E. Frontz will preach the Ascension Day sermon. The public is invited to attend.

### Rah Rah Boys Here.

## IN BUYING SILVERWARE

You should exercise a little judgment. Remember, "all is not gold that glitters" and some dealers are willing to handle inferior goods that look "just as nice," but they won't stand any wear. You can find the trade-mark of every reputable silver manufacturer stamped on our goods, and the prices are just as reasonable in proportion to the quality we keep.

### Parade Will Be A Big Feature With Big Shows

It is understood that the Adam Forepaugh and Sells Brothers Big United Shows this year have been rebuilt and undergone a general renovation in each and every one of the many departments, and from the monster exhibition tents to the cook tent everything is new, clean and up-to-date, the only thing that has been retained being the trade mark and the name—Adam Forepaugh and Sells Brothers—which means everything first-class. Five long trains of cars transport these immense shows enter this season. This immense amusement enterprise comes to Charleroi Monday, May 9.

The original Hines-Kimball Family, who are among the features with the Forepaugh and Sells Brothers Circus commence where other acrobats leave off. They do feats which can hardly be described by language and to be appreciated must be seen when the big circus comes.

The great 61 team of blooded horses is an astonishing novelty in the way of startling horse education. Captain Webb's double troupe of sea-lion actors, musicians, etc., are also with this splendid circus together with hundreds of other acts.

There seems to be a platonic affection within the breast of the average human being for horse and ponies. This is one reason why the Adam Forepaugh and Sells Brothers Big United Shows always captivates the public. Its display of fine horses and handsome ponies makes it a notable "horse fair." Even those hauling the cages are well groomed and good blood. With the racers the lineage is indisputable. Slim ankles, delicate nostrils, muscular shoulders and long fetlocks, all attest to their birth and good breeding. Especially beautiful are the steeds attached to the Roman chariots in line. These are sorted in fairs of precise color, and probably drive the admirers of horseflesh who are along the route into a fire of enthusiasm. Scores of Shetland ponies complete the list of horses.

The parade covers blocks or squares of glittering splendor, cages open, displaying the finest collection of animals known, bands galore, hundreds of beautifully costumed men and women, and rollicking clowns.

## John W. Hallam

Candidate for Senator, in the General Assembly to represent this district, in the June Republican primary, stands on a "square deal" platform. Since the Rooseveltian era in American politics everyone knows what that means. Roosevelt promulgated the doctrine of the "square deal," and while he made no promise to the people, every American citizen knew that Roosevelt, in serving in public office served the people at all times—in other words, he gave them a "square deal." He had no interests to serve; every man was his fellow citizen and he believed had equal rights to the enjoyment of that citizenship.

## John W. Hallam

is a candidate for State Senator because he feels that he can be of service to the people. He is not allied with any interests seeking special legislation. He believes that legislation should be enacted for the benefit of "all the people" and not for a select few. If nominated and elected to the office to which he aspires he will earnestly strive to represent the citizens as citizens—the people as individuals and members of society and not because they have any particular favor to secure from legislation. He will ask for a "square deal" for the schools and charitable institutions, for more progressive legislation affecting the government of municipalities, for legislation which will conserve the State's natural resources and, more than that, which will conserve the lives of the men who toil in the shops, in the mines, on the railroads, and in every hazardous employment. He will stand for all legislation which will conserve American institutions, which will be for the moral uplift of the people, and against any legislation to either take away the liberty of the people or, on the other hand, to strengthen the hands of the lawless. In other words Hallam will stand for a "SQUARE DEAL" for all citizens in legislation, being free to serve them to the best of his ability.

Consumption readily attacks those who have had pneumonia. Many sufferers from tuberculosis give a history of having had pneumonia. The lungs thus weakened are more easily attacked by the germs that cause consumption. ## ETTA LUMSDEN STILL LIVES BUT LITTLE HOPE IS ENTERTAINED FOR HER RECOVERY

### LITTLE VICTIM OF BRUTAL ATTACK IN SERIOUS CONDITION

At Times Regains Consciousness and is Able Then to Recognize Relatives and Friends -- Talks of Her Assailant.

### BOY DESCRIBES HIS NIGHT LONG TERROR

The condition of Etta Lumsden, the 13-year-old daughter of Mr. and Mrs. George Lumsden of Los Angeles, Cal., is according to a message received by the Mail this morning from Joseph Kenyon, extremely serious, and little hope is held out for her recovery. The little girl is still at the Good Samaritan hospital, where she was taken after the brutal attack of 15 year-old Frank Allen, who confessed to the crime of beating her over the head with an axe.

Mr. Kenyon in his message stated that the left side of the girl is paralyzed. She has occasional moments of consciousness in which she recognizes her relatives, and at times has spoken of her assailant, who is in prison. I concurring his message Mr. Kenyon says: "We are trusting God. Tell Charleroi people to send sympathy."

Dr. Fairchild, the hospital physician, has stated that the girl has about one chance in 500 to recover, but the fact that she has lived thus far would indicate that she has a fighting chance for life. According to the physician, however, if she does recover she will be a cripple for life, with her mind unbalanced and her speech impeded, such was the effect of the terrific blows upon her skull.

Should Etta die the Allen boy will be charged with murder. In his confession he said that he had at four different periods in his life been tempted to commit deeds of a similar nature to that of last Thursday, but had been able to realize the horror of the crime, and stop himself. He said he was enraged when Etta refused his advances and slapped him in the face, but that when he committed the deed he did not realize the enormity of it for awhile and walked away whistling. He spent a sleepless night, being in terror the entire night, but when officers came in the morning he refused to tell them anything about the crime. Finally, upon the arrival of a probation officer, whom he loved and trusted, he broke down and told the awful details of the crime.

### Firm Dissolves

Announcement has been made of the dissolution of the tailoring, cleaning, pressing and dyeing firm of Makas and Kohut, at 315 Fifth street, George Makas retiring, and Mr. Kohut taking over the entire business. The firm has built up a good trade while established there.

### ONE OF THE FIRST IN THIS SECTION TO SEE THE COMET

John S. Rodgers, Esq., of Fallowfield Locates Celestial Vagrant.

J. S. Rodgers, Esq., is one of the first residents in this section to report the appearance of Halley's comet. This morning Mr. Rodgers arose shortly after 4 o'clock to see what damage the frost that fell last night had done to the crops of his Fallowfield township farm, and in the east he beheld the comet. The clear, frosty atmosphere was particularly favorable, and the tail was also distinguishable. By means of a field glass Mr. Rodgers says a good view was secured of the celestial wanderer that has attracted attention since the days when the earth was young.

T. Jeff Duncan, E. E. Crumrine, J. R. McCreight, John F. Post and J. Boyd Crumrine of Washington are in Charleroi today to conduct a sale.

## Charleroi Has Good List of Interesting Events Booked For the Coming Two Months

Very Busy Place Nowadays With Arrangements for Various Affairs as Entertainment for Public

Charleroi is a mighty busy place nowadays. What with the celebrations of various nature, and the minor entertainments and musicals it is ripening into a veritable metropolis.

Starting with April 1, when the Anniversary Celebration affairs have been booming, since that time there have been any number of entertainments, and the borough is now preparing for more, on a larger and more magnificent scale.

The Fourth of July celebration is being looked forward to with more interest than any other celebration. Preceding it however from this week forward, including all the minor entertainments and school affairs that can be thought of, are the Knights Templar Ascension Day celebration Thursday night, the Brigade competitive drill between the Monongahela and Monessen Cadets, and the

New Team Puts Up Good Struggle Against Last Year's Champs

### PITCHERS IN GOOD FORM

The Methodist champions of the Charleroi Church Baseball league, with their pennant bearing the insignia "Champions," last night defeated the New Baptist team, through a final inning rally. The score was 5 to 4. Although the Baptists did not carry off the first honors, they completed the first triple play this season, and incidentally about the second ever seen in Charleroi. McKean was on second and Mitchell on first when Pete Bege came up, and just for fun tried to ram a hole through Red Allhouse with the ball, in which attempt he was unsuccessful. Red stopped the ball, calmly tossed it to Franz on first who leisurely piloted it to Jay Reeves on second. Both McKean and Mitchell had led off the bases and were easy outs.

The M. E.'s got two wherewithals in the first on Mitchell's two bases, and Riggs' bingle for four of them. The Baptists came back with two in the fourth. Coliffe hit safely, Ward sacrificed, Mason was safe on an error, and Frantz also gained his first pillow on an error, while Coliffe chased in. Mason scored while Frantz was caught at second.

Booth's bunch tallied in their part of the fourth on Riggs' bingle. A. Crabb heaved the comet too much, and Frantz duplicated the performance when trying to catch the captain at third. A two came for the new team in the sixth when Hott was safe on Riggs error. R. Crabb, when McKean dropped his fly, and Coliffe and Mason hit, scoring Hott and Crabb.

The game was won in the last part of the seventh when McKean hit safely, and went up one on an error. Mitchell whiffed the ozone thrice and P. Bege hit, scoring McKean. Riggs was hit by the pitcher, and Vint Reeves drove one out and Proten fied out, while Bege came over with the winning run.

As far as is known there is little booked for June, but the Douglas College commencement will be an event of that month. The Fourth celebration will cap the climax.

Besides the events booked above, there will be any number of church events, minor celebrations, and observances of various affairs, which have not been announced. The Charleroi Church Baseball league will keep away the dull times and furnish interest during the summer.

## BOTTLE BLOWERS TO HOLD MEMORIAL SERVICES SUNDAY

Rev. Hostetter will Preach Sermon to Union Workers at Christian Church.

The Green Bottle Blowers Association, No. 98, of Charleroi, will hold memorial services on Sunday afternoon at 2.30 o'clock, at the First Christian church. Rev. Hostetter, the new pastor of the church, will preach a sermon to the bottle workers. D. H. Glunt, the president of the Association, will be the master of ceremonies. The association will meet at the Charleroi Savings and Trust company hall at 1.45 and march to the church.

The services will be the first of the kind ever held in Charleroi, and everybody is invited. It is the intention of the Association to hold them every year from now on, for the members of the association who have died. The local association numbers about 80 members and 12 have died since the local was organized.

## CHANGE TO BE VOTED ON TONIGHT

If a member of the Merchants' Association wishes to vote as to whether the future association shall be a Board of Trade, or continue along the same lines as it has in the past, he must appear at the regular meeting tonight when the matter will be taken up for final action.

A month ago the question of changing the name and the by-laws of the association to take in all classes of business men, and to give opportunity for the accomplishment of more for the town, was first mentioned and according to the by-laws of the Merchants' Association the motion was made to change the name, but before action could be taken the motion had to be posted for 30 days. The 30 days are up, and final action will be taken at the meeting tonight.

Congressman J. K. Tener was in town, coming yesterday, between trains, coming up from Pittsburgh, where he had been called, and returning on the 4:37 train. He went back to Washington, but expects to be here again some time next week.

There has been little change in the carpenter's strike in the valley, a large number of the men still being out of employment. The smaller contractors have nearly all signed the new agreement, allowing an increase of 50 cents per day in wages, or from \$3.00 to \$3.50.

## WILL HOLD ANOTHER CONTEST PROBABLY SOMETIME IN JUNE

Affair Tomorrow will be Preceded by Big Parade With Either Charleroi Concert Band or Italian Band Leading Procession.

## ALL BRIGADES HAVE BEEN WORKING HARD

Both the Monessen and Monongahela Cadets are expected to bring big delegations to Charleroi tomorrow evening when the competitive drill will be held at the local baseball park. A parade will precede the drill, which will begin at 4.30 o'clock, the brigades to be led by either the Charleroi Concert band or the Charleroi Italian band. Both these musical organizations may be in line.

Word was received yesterday from Capt. Harry Landefeld of Monongahela and Capt. Newcomer of Monessen, that they would be on hand promptly. They have been working hard, as has the local brigade to prepare for the drill, and each company is confident of taking the cup.

The second contest drill will be held probably in June, at which time it is intended to secure judges from either Washington or Fayette county. It was only through the personal friendship of Col. Coulter for W. R. Gant who is a member of the committee arranging the affair for tomorrow, that he and his staff agreed to come as judges. They will probably make the trip by automobiles. The drill tomorrow will be free, although there is considerable expense entailed in the holding of it. The result will be announced strictly upon merits, the tactics to be all the same.

## Will Observe Ascension Day

Rev. C. E. Frontz Will Preach Special Sermon to Knights Templar

The Knights Templar will tonight hold their annual celebration of Ascension Day. Following a parade, in which the Charleroi Concert band will lead, the Knights Templar will march to Christ Lutheran church, where Rev. C. E. Frontz will preach the Ascension Day sermon. The public is invited to attend.

## Tuberculosis Often Develops From Pneumonia

Consumption readily attacks those who have had pneumonia. Many sufferers from pneumonia have a history of having had pneumonia. The lungs are weakened and are more easily attacked by the germs that cause consumption. For all those with weak lungs especially those who have had pneumonia Eckman's Alternative is the appropriate remedy. Cures of consumption are accomplished by Eckman's Alternative. But take it in time. There is no wisdom in waiting until tuberculosis is established. Health is never fully valued until sickness comes. "I wish I had known of Eckman's Alternative two years ago. Since taking it I have gained twenty-eight pounds and cannot but be very thankful to you and the Almighty God for the great blessing and chance of health it has brought me." (Signed) J. E. ## Parade Will Be A Big Feature With Big Shows

It is understood that the Adam Forepaugh and Sells Brothers Big United Shows this year have been rebuilt and undergone a general renovation in each and every one of the many departments, and from the monster exhibition tents to the cook tent everything is new, clean and up-to-date, the only thing that has been retained being the trade mark and the name—Adam Forepaugh and Sells Brothers—which means everything first-class. Five long trains of cars transport these immense shows en route this season. This immense amusement enterprise comes to Charleroi Monday, May 9.

The original Hines-Kimball Family, who are among the features with the Forepaugh and Sells Brothers Circus commence where other acrobats leave off. They do feats which can hardly be described by language and to be appreciated must be seen when the big circus comes.

The great 61 team of blooded horses is an astonishing novelty in the way of startling horse education. Captain Webb's double troupe of sea-lion actors, musicians, etc., are also with this splendid circus together with hundreds of other acts.

There seems to be a platonic affection within the breast of the average human being for horse and ponies. This is one reason why the Adam Forepaugh and Sells Brothers Big United Shows always captivates the public. Its display of fine horses and handsome ponies makes it a notable "horse fair." Even those hauling the cages are well groomed and good blood. With the racers the lineage is indisputable. Slim ankles, delicate nostrils, muscular shoulders and long fetlocks, all attest to their birth and good breeding. Especially beautiful are the steeds attached to the Roman chariots in line. These are sorted in fairs of precise color, and probably drive the admirers of horsemanship who are along the route into a fire of enthusiasm. Scores of Shetland ponies complete the list of horses.

The parade covers blocks or squares of glittering splendor, cages open, displaying the finest collection of animals known, bands galore, hundreds of beautifully costumed men and women, and rollicking clowns.

## John W. Hallam

Candidate for Senator, in the General Assembly to represent this district, in the June Republican primary, stands on a "square deal" platform. Since the Roosevelt era in American politics everyone knows what that means. Roosevelt promulgated the doctrine of the "square deal," and while he made no promise to the people, every American citizen knew that Roosevelt, in serving in public office served the people at all times—in other words, he gave them a "square deal." He had no interests to serve; every man was his fellow citizen and he believed had equal rights to the enjoyment of that citizenship.

## John W. Hallam

is a candidate for State Senator because he feels that he can be of service to the people. He is not allied with any interests seeking special legislation. He believes that legislation should be enacted for the benefit of "all the people" and not for a select few. If nominated and elected to the office to which he aspires he will earnestly strive to represent the citizens as citizens—the people as individuals and members of society and not because they have any particular favor to secure from legislation. He will ask for a "square deal" for the schools and charitable institutions, for more progressive legislation affecting the government of municipalities, for legislation which will conserve the State's natural resources and, more than that, which will conserve the lives of the men who toil in the shops, in the mines, on the railroads, and in every hazardous employment. He will stand for all legislation which will conserve American institutions, which will be for the moral uplift of the people, and against any legislation to either take away the liberty of the people or, on the other hand, to strengthen the hands of the lawless. In other words Hallam will stand for a "SQUARE DEAL" for all citizens in legislation, being free to serve them to the best of his ability.

It is our business to please and we are doing it.
